GIRLS SOFTBALL PROGRAM

Tax I.D. #33-0970315

Dear Community Supporter,

The *Huntington Beach Oiler Girls Softball Program* needs your support as we prepare to meet the increasing costs and budget requirements of a new season. For the 2012 season, the *Girls Softball Program* is moving into it's very own, brand-new softball-only facility on campus. Therefore, the program is raising funds by placing a highly visible banner on the Oiler Softball Field Complex at Huntington Beach High School. Your banner will reach parents, fans, and consumers living in the areas represented by the high schools that make up the Sunset League and other area schools.

Please join us with your Tax Deductible pledge or donation. Your contribution will help make the 2012 season a great success.
